## IGSHPA 2.0

Want to make sure you are in the loop about what is happening with IGSHPA 2.0? Visit the [IGSHPA 2.0 webpage](#) that will be updated with the new information about IGSHPA 2.0 and where the association is headed.

### IGSHPA Events

[Certified GeoExchange Plus Course: July 14-16, 2014](#)

[Accredited Installer Workshop: Aug. 13-15, 2014](#)

[IGSHPA Conference & Expo Oct. 15-16, 2014](#)

[Building Load Analysis and Pumping Workshop: Oct. 13-14, 2014](#)

[More IGSHPA events calendar](#)

### DOE Certification Standard for GSHP Installation Personnel

View John Kelly's DOE Building Technologies Program- National Certification Standard for Ground Source Heat Pump Personnel video from the 2013 Technical Conference and Expo. Program Description - [Read More](#)

### Geo Outlook

The latest Geo Outlook issue on innovations is now available on ISSUU. Read about [the Davis Building](#), a new science center at the University of Findlay that received first place for the ASHRAE Technology Award for a new construction of an educational facility.

### IGSHPA Technical Conference & Expo 2014

**Under the ground, by the sea; the expo for efficiency!**

The IGSHPA Technical Conference and Expo will be held October 15-16, 2014. [Exhibitor booths and sponsorships are still available.](#)

Early bird registration is available until August 12, save \$100 on regular registration and [register for the IGSHPA Conference today!](#)

### Expiring memberships

Memberships need to be renewed every three years. This is a friendly reminder that some memberships will expire June 30, 2014. Did not receive any reminders in the mail, but know your membership is at risk of expiring? Call IGSHPA at (800) 626-4747.

### Indianapolis Geothermal Workshop

Approximately 50 people from around the Indianapolis area attended the Indianapolis Geothermal Workshop sponsored by the American Ground Water Trust. Erin Portman, IGSHPA, presented IGSHPA history, offerings and IGSHPA 2.0 information during the workshop. Other speakers included representatives from the Geothermal Exchange Organization, Enertech Global, Greensleeves, GeoPro, ClimateMaster, Baroid IDP, Egg Geothermal, EnergyWise Partners and WaterFurnance International.

## Have News?

Do you have news you want to share with IGSHPA for consideration for The Loop? Email Erin Portman, [erin.portman@okstate.edu](mailto:erin.portman@okstate.edu), with your news.

### ASHRAE Conference June 28-July 2

The **ASHRAE Conference** in Seattle will focus on GSHP and have social and networking events. Topics covered include the Davis Building, an ASHRAE Award-winning building, and the Bullitt Center, a net-zero building in Seattle; both projects were featured in the **latest edition of Geo Outlook**.

### ClimateMaster's Ellis Receives International Award

Daniel Ellis, President of Oklahoma City-based ClimateMaster, was recognized at the 11th IEA Heat Pump Conference held on May 14, 2014 in Montreal, Canada.

Ellis received the Ritter von Rittinger Medal, the highest international award in the air conditioning, heat pump and refrigeration field. Ellis was commended for his technical contributions to advance residential energy analysis and system design software, advanced technology heat pumps and innovations in the design of large commercial heat pump systems.

### NIBE to acquire WaterFurnace in a recommended C\$378 million transaction

WaterFurnace Renewable Energy, Inc. ("WaterFurnace") (TSX: WFI; TSX: WFI.U) and NIBE Industrier AB (publ) of Sweden ("NIBE") are pleased to announce that they have entered into an arrangement agreement (the "Arrangement Agreement") pursuant to which NIBE will acquire 100% of the outstanding shares of WaterFurnace (the "WaterFurnace Shares") by way of a plan of arrangement under the Canada Business Corporations Act. Read the full release [here](#).
