ADVERTISING GUIDE 2019

Dear Geo Outlook Advertiser,

The year 2019 will mark the fourth year for the Geo Outlook redesign. Readers now find a wealth of technical and business related knowledge written by industry experts in each new issue along with the latest research and international and chapter updates.

Enclosed is information about advertising opportunities in Geo Outlook and The Loop monthly newsletter. As you review this information, remember these key points:

- Geo Outlook is mailed or emailed to 5,000 IGSHPA subscribers each quarter
- Geo Outlook is available at all conferences IGSHPA attends. This could include but is not limited to NGWA, AEE and other state and local conferences
- Full-year display advertising offers the greatest benefit: a price break on each ad and 4x full-page advertisers have the opportunity to place a technical write-up in the magazine
- The Loop is emailed to more than 7,000 subscribers each month

For more information or to secure ad space, please contact our office at 800-626-4747 or erin@igshpa.org.

Sincerely,

A handwritten signature in cursive script that reads "Erin Portman".
