IGSHPA Seeking Program Manager for Training

IGSHPA has an opening for a program manager for training. Along with several other responsibilities, the program manager will manage and market program delivery for existing association training programs, and develop, approve and distribute new training programs. Applicants should have a minimum of a bachelor degree, two years of curriculum development and/or adult instruction, and four years of experience in the HVAC industry. The position will remain open until filled. For a full list of responsibilities and salary visit the online job posting on the [Oklahoma State University](#) website. Click "Search Listings"; search Stillwater under "Campus" and Staff as the "Position Type". The position is listed as Program Manager with the Division of Engineering Technology.

Accredited Installer Workshop set for July 25-27

An IGSHPA Accredited Installer Workshop has been set for July 25-27, in Stillwater, Okla. The three day comprehensive Installation Workshops are designed for GSHP developers, architects, manufacturers, distributors, dealers, installers, HVAC contractors, trenching/drilling contractors, and anyone who desires a working knowledge of this innovative technology. Upon successful completion of the workshop and passing the IGSHPA installer's exam, you will be issued IGSHPA accreditation as an installer of GSHP systems. To register online [click here](#).

Geo Outlook Second Quarter Issue Now Online

Geo Outlook's 2012 Buyers Guide Deadline August 3

Geo Outlook's Buyers Guide provides you with the chance to directly target new markets. This year's Buyers Guide can be purchased online at the link provided below. The 2012 fourth quarter issue of the *Geo Outlook* will carry this exciting advertising opportunity. This special issue will stay on the shelves of your potential customers throughout the year. For only \$125, the *Geo Outlook* Buyers Guide will guarantee that your company is not passed over for future business. This fee includes your company description of 50-words and up to three index listings. Additional listings are \$25 each. IGSHPA staff will be contacting you soon about this important advertising opportunity. [Click here](#) for more information and to purchase. Deadline for purchasing a Buyer's Guide listing is August 3.

Register now for IGSHPA's Technical Conference and Expo SEP

Registration for IGSHPA's technical conference and expo opened June 1. The conference will be held Oct. 3-4 in Indianapolis. The conference will feature tracks on marketing, innovations and technical sessions as well as IGSHPA training. Visit the [conference home page](#) for more information and to register. The Expo hall showcases exhibitors from across the country. Space is still available but filling quickly. Contact Gail Ezepek at 405-744-3616 or [click here](#) for exhibit hall information. Proposals for presentations can still be sent to Shelly Fitzpatrick at shelly.fitzpatrick@okstate.edu.
